HACCP Australia Food Safety Standard 0502CUTBOA 1-2010

CUTTING BOARDS for FOOD PREPARATION

ABSTRACT: This voluntary consensus standard has been developed to assist designers, manufacturers and purchasers of cutting boards for use in food preparation in commercial premises. The standard describes appropriate materials, design requirements, performance requirements, including heat resistance and impact resistance, as well as suitable colourants and other additives for incorporation into polymer cutting boards. Recommended colour-codes for cutting boards are appended. Pages: 7.

QUANTITY: 1

Purchaser Name _____ (Block Letters)

The purchaser's name will be printed on each page of the standard. NB Must be an individual not a company
